

**Technical Data**  
**SCI 4890**  
**Cleaner/Degreaser**

**Date of Origin:**     **March 15, 1998**

---

**General Description**

SCI 4890 is a blend of natural and synthetic ingredients to produce a truly unique cleaner/degreaser. SCI 4890 cleans the toughest contaminants without the strong hydrocarbon solvent odor associated with many products used for heavy cleaning. SCI 4890 does not contain any chlorinated or petroleum hydrocarbons.

**Physical Properties**

Appearance	Clear amber liquid
Odor	Orange Citrus
pH	9.7 +/- 0.3
Rinsing:	Excellent
Biodegradable:	Yes

**Application**

Light Duty:    Use 1 part SCI 4890 to 50 parts water.  
Medium Duty: Use 1 part SCI 4890 to 20 parts water.  
Heavy Duty:    Use 1 part SCI 4890 to 10 parts water.  
                  Apply by foam applicator, spray, brush or tank system.  
                  Follow with water rinse.

**Product Safety**

**Materials:**

Safe on all metals.  
Not safe on uncured paint and some plastic materials.

**Personnel:**

**SLIGHTLY ALKALINE LIQUID.** Drying to the skin and irritating to the eyes. For eye contact, flush with water for 15 minutes and seek medical attention. Consult MSDS information for complete safety details.
